Utility Agreement

Customer agrees to allow Willmar Municipal Utilities to control the peak time and amount (kW) of my Electric Vehicle (EV) charger usually between the hours of 7 a.m. to 9 p.m. Monday through Friday. In return, a \$10 monthly credit will be issued by WMU to the customer utility account. In the event a customer utilizes the EV charger outside of the off-peak hours, the \$10 credit will be forfeited for that month. WMU will notify customers at least five (5) business days in advance of any permanent changes to the scheduled “off-peak” hours. The customer agrees to WMU scheduled time periods or voluntarily opts out of the monthly credit. WMU reserves the right to discontinue the \$10 credit at any time, for any reason. WMU will be implementing Time of Use (TOU) rates in the WMU territory in the future. At that time this program may sunset and no longer be available to customers. Hours subject to change based on the needs of WMU.
