

2024 Scholarship Information

Willmar Municipal Utilities will select three essay contestants to receive \$1000 scholarships in 2024. One winner will be chosen and submitted to Minnesota Municipal Utility Association's Tom Bovitz Memorial Scholarship Program for a chance to win additional scholarship dollars.

Guidelines

Because decisions by judges and disqualifications according to the guidelines are final, entrants should read and follow these guidelines closely:

- Write an original, 500 to 750 word, typed, double spaced essay reflecting on one or more of the following prompts:
 - What is the benefit of a city maintaining local control of its utilities?
 - How does your hometown provide reliable, sustainable, and affordable utility service?
 - How does your municipal utility make life easier for its customers?
- Judges will look particularly for originality and the relevance of the prompts to the writer and his/her city.
- High school seniors are eligible. Those eligible must be, or have as a legal guardian, a current customer of Willmar Municipal Utilities. Children or Grandchildren of current employees are not eligible.
- All essays should include a cover page, with the writer's name and address, as well as an application form.
- **Entries shall be submitted to WMU by 4:00 p.m., March 22nd, 2024.** A committee at WMU will select and notify scholarship recipients, in April, 2024.
